## (Save Our Subscriptions)

Dear Parents & Friends of Westside Christian School,

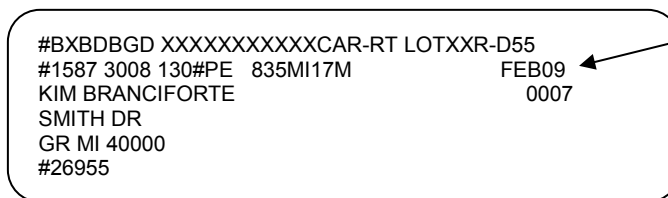

Thank you so much for your participation in our Fall Magazine Subscription Fundraiser. We are still working to achieve our sales goal for the year so that we can continue to support our students, teachers, and classrooms with the educational materials and programs they need!

Please remember that you can order new or renew subscriptions at anytime at [www.qsp.com](http://www.qsp.com) and our school continues to earn 40% of all orders. There is also a link on our school's website that takes you directly to the ordering screen.

A few things to remember:

- Our school earns 40% of every subscription purchase!
- **All magazine renewals** booked through [www.qsp.com](http://www.qsp.com) **simply extend your current subscription** - the extension automatically picks up when your current subscription ends! Look at your magazine mailing label in order to find your expiration date!

**(SEE ILLUSTRATION BELOW)**

This is your magazine renewal date. Save your renewal or extend your subscription!!!

- If you receive a renewal form directly from the magazine publisher – do not return it! The magazine publishers would rather you renew directly through them – at higher prices – than renew through QSP/Westside – where 40% of your purchase is retained.
- Magazine subscriptions are" the gift that keeps on giving" – and ordering is easy at [www.qsp.com](http://www.qsp.com)

Westside Christian School and Magazine Sale Committee thank you for your continued support!
